Miss Margaret Heartwell  
City Clerk

City Hall  
Long Beach, California

Dear Miss Heartwell:

**PROPOSED "INCREMENT 179" TO  
THE CITY OF LONG BEACH**

At the meeting held on January 10, 1962, the County Boundary Commission reviewed the legal description and map submitted by your Deputy City Attorney, Atlee S. Arnold, with his letter of December 26, 1961, of the proposed annexation of territory to the City of Long Beach.

The boundaries submitted do not create corridors of unincorporated territory and conform with record lines. However, this annexation consists of a portion of an existing island of unincorporated territory.

The description as submitted is an area type description and not, technically, a description of the boundaries. Therefore, the County Engineer prepared a boundary description and it was approved by the Boundary Commission. A copy of the approved legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

  
GORDON T. NESVIG

Attention Mr. G. T. Nesvig, Secretary

Dear Sir:

CITY OF LONG BEACH  
"INCREMENT 179"

In compliance with your request of December 28, 1961, we have reviewed the submitted legal description of the boundaries of this proposed annexation and report as follows:

1. The boundaries conform with record lines.
2. This annexation consists of a portion of an existing island of unincorporated territory.
3. No corridor of unincorporated territory is created by the boundaries.
4. Other boundaries are shown in relation to the boundaries of this proposed annexation on the enclosed map.
5. The description as submitted is an area type description and not, technically, a description of the boundaries; therefore, we have prepared the enclosed boundary description which we recommend that the Commission approve and forward to the proponents.

All original papers regarding this matter and a list of special districts involved are enclosed.

Yours sincerely,

John A. Lambie
